

GLORY SCHOOL GUIDELINES

IN THE CLASSROOM

Classes are held every Thursday at 6:30p.m. unless otherwise noted. A Certificate of Completion will be awarded based on 80% of total school attendance. To reach 80% you need to attend 34 weeks of in class teaching/outreaches/Prophetic Training. 20% of classes may be made up online, which equals to 8 classes. If you are going to be out, please let your instructor know.

Breaks are given during each class session. This would be the time to use the bathroom, grab a refreshment and stretch your legs. Please be mindful of the time and too much movement. This can be distracting to the teacher and or other classmates.

ALUMNI

An Alumni is someone who has completed at least 80% of Glory School classes *and* has received a Certificate of Completion. Being an alumni has perks!

- Discount pricing at our Glory City Network Conference.
- Special seating for you and a guest at our Glory City Network Conference,
- Any class that an Alumni wants to retake, may be audited at no additional cost.
- Any new event may be joined for only the cost of the event.

EVANGELISM

Outreaches/Evangelism is a class and a part of Glory school. These are a mandatory part of the school. It allows a hands-on experience of everything that is being taught in the school.

Participation is also "graded" based on 80% of outreaches attended + Evangelism Training Day.
